Undergraduate exchange students may take no more than 17 credits per semester. Additional credit hour information .
Grading	Babson uses a "letter grading" system. A single final grade will be entered for each course on the student's record. The grades are indicated by one of these letters: A, excellent; B, above satisfactory; C, satisfactory; D, below satisfactory; and F, failing. Each letter grade can also have a corresponding plus (+) or negative (-) to illustrate a grade slightly higher or lower than the stated letter grade. The undergraduate school does not issue a grade of A+.
Assessment and Examinations	Students are evaluated at the end of the semester as well as continuously throughout the semester. The assessment of student performance varies: essays, in-class presentations, written quizzes and examinations, and group projects. Attendance and class participation also contribute to the final grade. General exam information can be found here .
Housing and Co-Curricular	
On-Campus Accommodations	On-campus accommodation is a popular option for Babson's undergraduate students. Undergraduate exchange students will be provided with housing on campus during both the fall and spring semesters. Housing is not self-catered and students are required to purchase a meal plan to use in the on-campus dining halls. Exchange students may also choose to live off-campus in accommodation that they secure independently. Please note that the College does not investigate or endorse any off-campus housing, and living off-campus may require the need to secure independent transportation to/from campus. More information about accommodations can be found at Residence Life and Student Resources .
