# Generosity and Compassion in the West

Temper generosity with rationality to do the most good.

Give a man a fish and he eats for a day.  
Teach a man to fish and he eats for a lifetime.

Western and especially  
American ethics:

Consequences are what  
matter – Greatest good  
for the greatest  
number

# Generosity and Kindness in Virtue Ethics

Generosity and Compassion should be practiced because they are good for you, not just for others.

Give a woman a fish and she may help you build a fish farm.

# Generosity and Kindness in Virtue Ethics
