

**Submission Deadline: October 15**

In celebration of Education Abroad at Babson, the Glavin Office of International Programs (OIP) is sponsoring a campus-wide Education Abroad Photo Contest. Faculty, staff and students are encouraged to enter up to two photos electronically to be considered for judging from November 5 - 9. All photos will be displayed in Reynolds and on the OIP Facebook page.

If you have recently returned from an educational experience overseas, the Education Abroad Photo Contest is a great way to share your experience and contribute to the global understanding of the greater Babson community. Share your story with a photo!

### Step One

Review the categories for the fall 2012 Education Abroad Photo Contest. The categories are:

- Local Flavor – local people, places, and / or culture
- Babson Abroad – photos of Babson students wearing Babson gear
- Photojournalist – tell a story with a photo and a blurb

### Step Two

Send a maximum of 2 original photos to Samantha Stanley at [sstanley@babson.edu](mailto:sstanley@babson.edu) by October 15, 2012 that exemplify one of the stated categories. Photos that are digitally altered, other than cropping or changing the contrast, will not be accepted. Please submit your photos as a JPEG e-mail attachment, in standard photo dimensions. Use "Education Abroad Photo Contest" as your email subject line.

### Step Three

Include the following information with each picture that you submit in an e-mail to [sstanley@babson.edu](mailto:sstanley@babson.edu):

- The title of your work – give the photo a title that describes it best
- The city and country in which the photo was taken
- The name of your Education Abroad Program and/or the University you attended
- Please include a short paragraph that describes why this photo has significance for you, your experience abroad, or the location/people/culture it depicts. Share your story!
- Category for which you would like your photo entered

### Judging and Voting

All photos will be on display in Reynolds and on Facebook. A panel of judges will select photos from each category to be entered as finalists in the contest. In addition, the Babson Community has the opportunity to select one photo on the OIP Facebook page, which will receive the viewer's choice award. All members of the Babson community can participate in voting for their favorite photo from the selected photos in each category. The winning photo from each category will be announced on November 12.

**Prizes for category winners:** The winning photos of all categories, including viewer's choice, will be framed and hung in the Global Lounge for an academic year. The winning photographers will receive a framed copy of your photo!

**Please note:** By submitting your photos to the contest you are giving OIP tacit permission to display and use the photos in future marketing. Photos should be taken in an international location while engaging in educational endeavors (JMCFE, Semester abroad, electives abroad, outings with BEA's, etc.). Do not submit photos of you or Babson affiliates engaging in dangerous or otherwise compromising activities or attire. No skydiving or bungee jumping photos please. (International students, faculty, and staff can also submit photos taken in the U.S.) You do not have to appear in the picture.
